The Historical Preservation Society of Upper Township administers the educational scholarships formerly handled by the Greater Tuckahoe Area Merchants' Association. Scholarships are granted to full-time students who reside within the geographic boundaries of the old Greater Tuckahoe Area Merchants' Association and/or meet certain eligibility requirements.

The G.T.A.M.A. dissolved its corporation status at the end of 2021 and the HPSUT has agreed to continue the issuance of scholarships.

The Society is proud to announce the funding of scholarships to 8 students for a total of \$8000. Two students from Ocean City High School, two students from Cape May Technical High School and four students already in College.

The Alex and Virginia May Scholarship and the B & G Scholarship are funded from the May family and the bequest by the Garrity's. The Mays award the scholarship in memory of their father and mother for a student attending a community college.

Funding for students already attending a college are from three sources. In Memory of G.T.A.M.A. President Roland Bonner a scholarship in his name has been created for an individual enrolled in a program to further their education. Stoddard and Marjorie Bixby have been a mainstay for numerous years and are providing two \$1,000 scholarships. One student will receive fund from the B&G account.
